1. ABOUT INDIA TO INTERNATIONAL

India To International is a dedicated medical-admissions consultancy led by **Navin Harjwani, Founder & Head Counsellor**, who brings over **19 years of hands-on experience** in guiding students and families through medical admissions in India. Formally established in 2020, the practice is built on a single principle: every counselling decision should be driven by verified data and a clear, personalised strategy — never guesswork.

Our team works with real, published counselling data and a deep working knowledge of the bodies that govern PG admissions — **NBEMS (NEET PG)**, the **National Medical Commission (NMC)**, the **Medical Counselling Committee (MCC/DGHS)**, and every major state counselling authority. This lets us map your rank to the right opportunities across the All India Quota, Deemed & Central Universities, DNB, ESIC, AFMS and State Quota seats.

Our Credentials & Presence

- 19+ years of specialised medical-admissions counselling experience under one Head Counsellor.
- Two dedicated information portals: neetadmission.in and nrineetugpgadmission.com.
- Active guidance library on YouTube — “NEET PG NRI Admissions Hub” (@NRIQuotaExpert) — and a public WhatsApp updates channel.

Client trust — families consistently rate our guidance highly. Read our verified Google Reviews here:

2. UNDERSTANDING NEET PG COUNSELLING

NEET PG counselling is not a single event — it is a sequence of parallel processes, each with its own portal, calendar, fee, security deposit and round structure. Broadly, seats are filled through two streams:

- Central counselling by MCC/DGHS — covering the 50% All India Quota, Deemed & Central Universities, DNB, ESIC and AFMS seats.

- State counselling — conducted separately by each state authority for the 50% State Quota and state private/management seats.

Because these run on overlapping timelines, the difference between an average seat and an excellent one usually comes down to two things: a correctly ordered choice list, and disciplined round-by-round decisions on when to hold, upgrade or resign a seat. That is precisely where structured counselling pays for itself.

3. STEP-BY-STEP: WHAT YOU WILL RECEIVE

The following is the complete counselling journey we take every candidate through. The scope to which it is applied (one state vs. all-India) depends on the package you select in Section 4.

STEP 1 Personalised Profile & Eligibility Assessment

We begin with a detailed review of your NEET PG score, All-India rank, category (UR/EWS/OBC/SC/ST/PwBD), domicile and state eligibility, service-bond considerations and career goals — clinical vs. non-clinical, degree vs. diploma vs. DNB.

STEP 2 Data-Driven Rank Analysis

Your rank is benchmarked against verified historical closing ranks (previous years' MCC and state data) to build a realistic, honest expectation band across specialties and institutes. We work only with real data — never estimated or fabricated cut-offs.

STEP 3 Counselling Roadmap & Calendar

You receive a personalised roadmap of every counselling process relevant to you — registration dates, fees, security deposits and round schedules — so nothing is missed and no deadline is a surprise.

STEP 4 Registration & Portal Assistance

Step-by-step guidance to register accurately on the MCC portal and each applicable state portal, pay the correct registration/security fee, and complete forms without costly errors.

STEP 5 College & Specialty Shortlisting

A curated shortlist built around your rank, budget (government / private / deemed fee levels), stipend, service bond, location and long-term career plan.

STEP 6 Personalised Choice-List Preparation

An optimally ordered preference list using a considered high-to-low strategy that balances ambition with safety, and weighs specialty priority against institute priority.

STEP 7 Choice-Filling & Locking Guidance

Live guidance through the choice-filling window — how to add, order, delete and lock choices, and how to approach freeze / float / upgrade options correctly.

STEP 8 Round-by-Round Strategy

Clear direction across Round 1, Round 2, Round 3 / Mop-up and Stray Vacancy — when to hold a seat, when to upgrade, and the timing and consequences of resignation or withdrawal, including security-deposit implications.

STEP 9 Fee, Bond, Stipend & Security-Deposit Briefing

A transparent briefing on tuition, hostel, bond penalties, stipend and security-deposit refunds — so every financial commitment is understood before you accept a seat.

STEP 10 Document Preparation & Verification Support

A complete, checklist-driven review of the documents required for reporting and joining, reducing the risk of rejection at the college verification stage.

STEP 11 Admission, Reporting & Post-Allotment Support

Guidance through provisional allotment, reporting to the allotted college, and handling upgradation in subsequent rounds until your counselling journey is complete.

4. YOUR COUNSELLING PACKAGES

To give you a genuine strategic advantage, India To International offers two premium, fully personalised counselling packages. Both packages deliver the complete eleven-step service in Section 3 — they differ only in how many counselling processes that service covers.

This Counselling Engagement Agreement (“Agreement”) is made between **India To International**, having its office at 2088, Vijay Nagar Colony, Sadashiv Peth, Saras Baug Road, Swargate, Pune, Maharashtra 411030 (the “Consultant”), and the candidate named on the cover page (the “Candidate”), with effect from the Date of Engagement.

1. Scope of Services. The Consultant will provide the eleven-step counselling-guidance service set out in Section 3, applied to the counselling processes covered by the package selected in Section 4. The engagement is advisory in nature: the Consultant guides, prepares and supports the Candidate’s counselling decisions.

2. Professional Fee & Payment Schedule. The Candidate agrees to pay the professional fee for the selected package as follows: **Targeted Counselling Package (₹25,000)** — the full amount of ₹25,000 is payable in advance at the time of engagement. **Comprehensive All-India Package (₹50,000)** — ₹25,000 payable in advance at the time of engagement, and the balance of ₹25,000 payable post seat allotment. The professional fee covers counselling guidance only and is separate from any government/college registration fees, security deposits, tuition or other statutory charges, which are borne by the Candidate.

3. Candidate's Responsibilities. The Candidate agrees to provide accurate personal, academic and category information; to share portal credentials only as needed for guidance; to make all registration, security-deposit and fee payments on time from their own resources; and to take final decisions on choice locking, seat acceptance, upgradation and resignation. The Candidate acknowledges that timely cooperation is essential to the success of the counselling strategy.

4. No Guarantee of a Seat. The Consultant provides expert guidance and strategy but **does not and cannot guarantee allotment of any particular seat, specialty, college or category benefit**. Final allotment is determined solely by the concerned counselling authority on the basis of the Candidate's rank, category, choices submitted, seat matrix and prevailing counselling rules. Our commitment is to maximise the Candidate's chances through accurate, data-driven guidance.

5. Accuracy of Data. All rank analysis and shortlisting is based on verified, published historical counselling data. Counselling rules, seat matrices and cut-offs are set by the authorities and may change year to year; the Consultant is not responsible for changes made by any authority after guidance is given.

6. Confidentiality. The Consultant will keep the Candidate's personal, academic and financial information strictly confidential and use it only for the purpose of delivering the counselling service. The Candidate likewise agrees to keep the Consultant's proprietary tools, data and choice-list strategies confidential.

7. Term & Completion. This engagement runs from the Date of Engagement until the conclusion of the counselling round(s) covered by the selected package (including applicable stray/mop-up rounds), or until the Candidate secures and finally accepts a seat, whichever is earlier.

8. Refund Policy. If no seat is allotted to the Candidate, a **100% refund of the professional fee is assured** — payable only after the completion of the counselling process.

9. Governing Law & Jurisdiction. This Agreement is governed by the laws of India, and any dispute is subject to the exclusive jurisdiction of the courts at Pune, Maharashtra.
